

To,
The Station House Officer (SHO)
Police Station: Roza Jalalpur
Greater Noida West, Uttar Pradesh

Date – 02.07.2026

Subject: Complaint regarding Criminal Trespass, Theft, and Damage to Electrical Infrastructure at our project site located at Trehan Iris Broadway, Plot No. C-02, Greater Noida West Link Road, Sector Ecotech-12, Roza Yakubpur, Greater Noida West, Uttar Pradesh.

Sir,

This is to inform you about a theft complaint, originally lodged on May 5, 2026, which was followed by a police site visit on May 6, 2026. Currently, the status of this complaint is not traceable.

In view of the above, you are kindly requested to re-lodge the complaint as of the current date based on the details provided below to facilitate further necessary action and processing to register FIR for that matter.

At the outset, it is submitted that on 30.04.2026 at approximately 12:21 PM, one of our employees, Mr. Bhupender, received a phone call from Mr. Pankaj Kumar (vendor/contractor). This call is relevant to the present incident and raises suspicion regarding the events that subsequently came to light at the project site.

It is further submitted that the incident of criminal trespass, theft, and damage has occurred at our project site located at Trehan Iris Broadway, Plot No. C-02, Greater Noida West Link Road, Sector Ecotech-12, Roza Yakubpur, Greater Noida West, Uttar Pradesh. The said premises is a commercial project under our supervision, where critical electrical infrastructure including LT panels and cabling systems have been unlawfully accessed, tampered with, and components appear to have been stolen by unknown persons.

I, Ashok Kumar, on behalf of Trehan Iris Broadway, wish to lodge a formal complaint regarding a serious incident of criminal trespass, theft, and vandalism of electrical infrastructure at our project site situated at Roza Yakubpur, Greater Noida West.

On inspection conducted on the same day, it was discovered that unknown persons had unlawfully entered the premises and tampered with and damaged critical electrical panels and installations, including LT panels and associated cabling systems. The condition of the site clearly indicates unauthorized access, dismantling, and possible theft of components.

The following persons are associated with the electrical works at site:

1. Main Electrical Contractor: M/s ABS Fujitsu Private Limited
2. Sub Electrical Contractor: KS Electrical (under ABS Fujitsu)

Technical personnel involved:

1. Mr. Pankaj Kumar – 9810489235
2. Mr. Sanjeet Pandey – 9893579301
3. Mr. Kapil (Subcontractor Technical Person) – 9891593904

Given the nature of the damage and missing components, there is a strong suspicion of involvement of persons having access or knowledge of the site.

This act has caused:

1. Serious risk to life and safety
2. Financial loss to the company
3. Delay in project execution

Applicable Legal Provisions (Bharatiya Nyaya Sanhita, 2023):

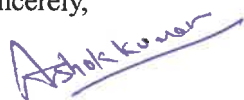

1. Section 303 – Theft
2. Section 324/326 – Mischief causing damage
3. Section 329 – Criminal trespass
4. Section 351 – Criminal intimidation (if applicable upon investigation)

PRAYER

1. Register an FIR under appropriate provisions of law
2. Conduct an immediate investigation
3. Identify and take strict legal action against the responsible persons
4. Secure the site and prevent further loss/damage

We are enclosing photographic evidence of the damaged electrical panels and site condition for your reference.

Yours sincerely,

Ashok Kumar
